## Career Explorer

Bite-sized resources introducing digital careers (IT, design, marketing, etc.)

Consider your job options with our Career Explorer

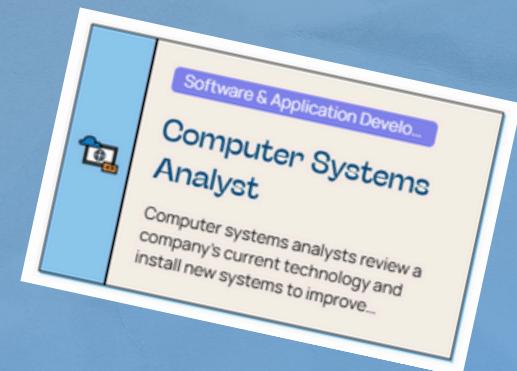

Gain in-depth knowledge about different digital careers for free.

[See how it works](#)

The screenshot shows the KadaKareer website with a yellow header bar. The header includes the KadaKareer logo, navigation links (Home, Profile, Coaches, Careers, Videos, About, FAQs), and a Logout button. Below the header, a banner reads "Welcome to the Career Explorer". A sub-banner below it says "Learn more about different digital careers!". The main content area features four cards representing different careers:

- Animator** (Arts, Entertainment, Design): An animator creates motion pictures that entertain, inform, and inspire viewers through storytelling. Animato...
- Customer Success Specialist** (Business Management): A customer success specialist ensures long-term business relationships are met by providing sales support and...
- Data Analyst** (Data): A data analyst performs statistical analyses on raw datasets to make sense of that information. They...
- Data Scientist** (Data): A data scientist helps business people set goals and define...

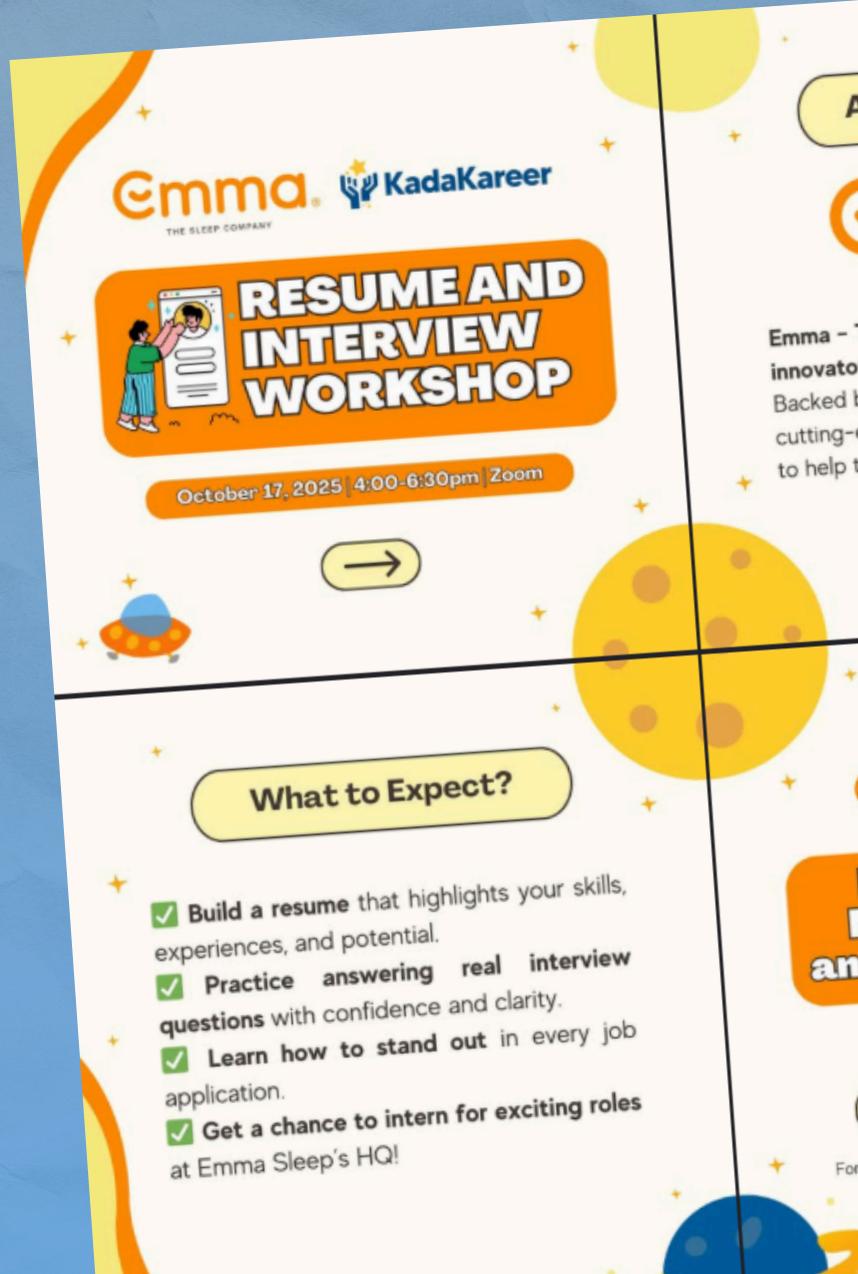

On the right side, there is a sidebar for a "Day in the Life: Sales Engineer" entry by Carlo Medina, featuring a quote and a "Read transcript" button.

# Their services

## Workshops and Webinar

Workshops on employability  
and job readiness.

# Their programs

## Virtual Apprenticeships

Helps students work on real-world projects to gain experience.

**Research & Framework  
Design for Government  
Technology  
Prioritization Challenge**

TechMatch Asia

Research

Take part in helping streamline and strategize government support for innovation by developing a tech prioritization framework

# Their programs

## KadaKamp

A leadership boot camp for all Filipino students to unleash their potential as future trailblazers while bringing their ideas to life.

# Their programs

## KadaHub

Enables all youth leaders in their respective provinces to create activities and programs for the betterment of their community.

### Our Hubs

### What are KadaHubs?

KadaHubs are province-based communities led by an inspiring youth leader which act as local extensions of our KadaCommunity. KadaHubs hold events, activities, and programs to better serve and empower students in their Kareer Journeys.

# Why KadaKareer matters ?

KadaKareer helps close the exposure, skill, and network gaps for students without access to traditional career guidance. They also build mentorship relationships that expand beyond technical skills into confidence and mindset.
